FRISCO POLICE INVESTIGATE SUSPICIOUS CIRCUMSTANCES

FRISCO, TX – The Frisco Police Department is currently investigating an incident from last week involving the report of a Suspicious Vehicle. The incident occurred on 12/06/2012 and was reported to Frisco Police on 12/08/2012.

The incident took place in the 2900 block of Horseshoe Trail at approximately 5:15 pm. The complainant stated that she was outside with a three year old child and the child was on the sidewalk and she was up near the house. At that time, the complainant observed an unfamiliar blue minivan pull up to the front of the house adjacent to where the child was standing and the side door opened. Upon observing the complainant, the driver of the minivan rolled down the window and spoke with the complainant, and said he stopped because he thought the child was lost. The side door was quickly closed as the van drove away. The complainant stated that nobody ever got out of the van or approached the child. She also stated that she only briefly saw the driver, and no other occupants.

The driver of the van was described as a white male in his early 40's with shoulder length sandy blonde hair and a mustache. He was wearing a white t-shirt with a striped short-sleeve unbuttoned shirt over it.

While there is no information to confirm criminal activity associated with this incident, this is a good time to remind everyone to remain vigilant and to report any suspicious circumstances or people to the Frisco Police Department immediately by dialing 911. While we believe this to be an isolated incident, anyone having information regarding this or similar incidents is asked to notify the Frisco Police Department by calling the non-emergency number of 972-292-6010.

For any additional information pertaining to this incident, please contact the Frisco Police Department and refer to case #12-109851.
